Loyalty Card

Special service
for you as a regular

Services:

The loyalty card is a free service of the Ludwigs-Apotheke and offers you the following advantages:

Annual Review

For tax authorities, health insurance and the like

If you need a detailed list of your annual health expenditure for your health insurance or other authorities we print it out. Important is that you never forget to give us your loyalty card when you come and buy something.

Safe Medication

Long distance journey or special questions

We are very serious about the reasonable use of drugs. That's why we are ready to advise you on special topics (suitability for tube feeding, interactions and a lot more) Should you plan a journey abroad make sure to get your individual vaccination schedule and precious advice in time. Besides we offer free disposal of your old drugs.

SMS-Reminder

For ordered articles

If you want we gladly send you a text message the very moment your ordered article is in our house – provided we have the number of your mobile phone.

Continuity

We know

You are at a loss about your social security number? Or you just don't remember the denotation of the medicine that helped you so well in the past? Nothing to worry about – we have it on file. It is stored in our computing system.

Exclusive Offers

For you as our regular customer

Various special offers and reductions are reserved for owners of our loyalty card only.
